**GEC ANDERSON® SolidTop 5.0**

SolidTop™ is a stainless steel worktop system featuring worksurfaces made from top quality 4500 mm solid stainless steel plate. Plain edge profile - simply cut, not folded or formed in any other way.

Worksurfaces are simply cut to shape and size, incorporating all usual features of GEC Anderson® Made-to-Measure worktops:

- Integrated sink bowls - seamlessly welded into any position.
- Made to any shape or size - including L-shapes, curves and even irregular scribes.
- Cut-outs, as required - eg. for hobs, tapholes, bin-chutes or sockets.
- Also available in 4.0 / 6.0 / 8.0 mm.
- Brushed satin stainless steel as standard. Option: Patina finish.
- Splashbacks, panels, drawer fronts and doors also available.
