Stainless steel island top with cut-out for hob and deep edge profile (GEC Anderson edge 7). Various worktops, shelves and panels.

All in EN 1.4301 grade brushed satin stainless steel.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
