

Sloped recess and back upstand

Stainless steel worktop, shelves and splashback

Sector: Developer
Room Type: Domestic kitchen, Camden
Client: Glasshouse Developments

Stainless steel sinktop with drainer-recess, integral back upstand, lipped front and side edges (GEC Anderson edge 3) and cut-out for stainless steel hob.

Continuous stainless steel worktop with upstand and bespoke shelving.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
