

Large integrated sink bowls with ant-spill edge profile (edge 3) and stainless steel base cabinets

Rounded corner to island worktop

Room Type: Domestic kitchen, Wiltshire

Contractor: Okeford Crafts

Domestic kitchen in Gloucestershire with cabinets, worktops, sinks and panelling in stainless steel. Cabinets have plain doors with 'D' handles and 300mm plinth detail.

Continuous stainless steel sinktop with integrated double bowls of generous proportions and stainless steel base and drawer units below.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
