Building:	Gordon Hopkins New Ward, Southend Hospital, Prittlewell Chase, Westcliff-on-Sea, Essex.
Sector:	Healthcare
Room Type:	Ward Kitchen
Specifier:	The Livemore Partnership
Contractor:	Barnes Construction Limited

Stainless steel ward kitchens by GEC Anderson Limited were specified within new ward facilities at Southend Hospital. The units were chosen and specified by Architects, The Livemore Partnership.

Stainless steel worktops with integrated sink bowls and mounted on stainless steel base cabinets were included alongside stainless steel wall cabinets and shelving.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
