Brushed satin stainless steel worktops

Stainless steel island worktop with 60mm edge profile (edge 7) and integrated single bowl sink

Sector: Kitchen Retail
Room Type: Domestic kitchen, Hertfordshire
Client: Artichoke

Stainless steel island worktop with deep edge (7), integral sink bowl and cantilevered end.

L-shaped worktop supplied in one piece.

Stainless steel worktops were also supplied to each side of the Aga and in the separate utility room.

All worktops are in EN 1.4301 grade brushed satin stainless steel.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
