

Neo Bankside

Slimline front edge

Integral sink bowl

Stainless steel worktop

---

<b>Building:</b>	Neo Bankside
<b>Room Type:</b>	Domestic kitchen
<b>Specifier:</b>	Kinder Design Ltd

---

A beautifully designed bespoke stainless steel worktop with an ultra thin edge profile and seamlessly integrated sink was recently installed in a fully refurbished apartment by Kinder Design.

Neo Bankside is a London property designed by Rogers Stirk Harbour + Partners, sited next to the iconic Tate Modern gallery in Southwark.

Founded in England in 1962, GEC Anderson has pioneered the development of made-to-measure stainless steel products. Today, the company's range also includes standard and modular stainless steel options. Products include sinks, worktops, cabinets, shelving, splashbacks, doors and sanitaryware for use in domestic, commercial and specialist environments. All products are manufactured to ISO 9001 and backed by a comprehensive support service from planning and product specification to installation and maintenance.
